Dallas (August 31, 2022) – The Turtle Creek Corridor is known for the luxurious residences that dot the creek and the surrounding lush green neighborhood. The 21st Annual Turtle Creek Association Living Large Tour of Homes virtual tour will give visitors an exclusive look inside four of the most glamorous and intriguing residences in Turtle Creek.

Turtle Creek Association is the primary guardian, advocate, and champion for the preservation, enhancement, and protection of the Turtle Creek Corridor. "With the help of Tour of Homes ticket sales, Lyda Hill Philanthropies, and other generous donors, we are developing a vision to preserve Turtle Creek's natural beauty and ensure it remains a beloved destination for all to enjoy," said President of the Turtle Creek Association JD Trueblood.

Exclusive online access to this year's Tour of Homes begins at 1 p.m. on Saturday, October 8, 2022. The magnificent homes will be featured virtually and showcased through personal stories, architectural anecdotes, and glimpses into fine collections of art, heirlooms, and unique design. Patrons will experience the special aspects of each of these residences and their owners from a personal perspective.

This event is the featured fundraiser for the Turtle Creek Association, and President JD Trueblood knows how vital outdoor spaces are to the health and well-being of residents and visitors alike. "By allowing people to take a 'virtual step' inside the Turtle Creek homes, we are able to make improvements to the creek's public outdoor spaces. The continued preservation and beautification of this Dallas treasure is an ongoing labor of love. We are so appreciative of the community and donors like Lyda Hill Philanthropies who help us make it financially possible," Trueblood continues.

In addition to the tour, on Saturday, October 8, from 6 p.m. to 10 p.m., guests of a benefit reception will gather inside the headquarters of the Perot Companies in Dallas. These guests will enjoy unprecedented access to Perot Legacy Hall, which showcases the remarkable collection of historical artifacts from H. Ross Perot. This private collection, that most people will never see, includes items from Perot's childhood as well as wall after wall of memorable moments in a magnificent setting. Curated by Perot himself, the collection contains art, artifacts, gifts, awards, mementos, and memorabilia amassed over his lifetime, and serves as a record of his legacy, but more importantly, as an inspiration to others.

Visit [www.turtlecreekassociation.org](http://www.turtlecreekassociation.org) for a sneak peek of the homes on tour and [click here](#) to purchase tickets TODAY!

### **About Turtle Creek Association**

Turtle Creek Association (TCA) is a nonprofit organization dedicated to preserving, enhancing, and protecting the Turtle Creek Corridor. TCA members are leaders in preserving the corridor's natural beauty and developing a vision for the future. Organized over 35 years ago, TCA's partnership with the City of Dallas has been, and continues to be, a successful model of cooperation in preserving and enhancing community and City assets for all who drive, walk, or jog along Turtle Creek.
